RFP Form	

1. Introduction:

- The Ministry of Digital Economy and Entrepreneurship (MODEE) invites qualified and experienced bidders to submit proposals for the supply, installation, testing, commissioning, maintenance, and warranty of an automated Clean Agent Fire Suppression System utilizing HFC-227ea (FM-200).
- Responses submitted under this Request for Proposal (RFP) shall fully comply with the procedures, format, requirements, and conditions stated herein. Any deviation may result in rejection of the proposal for being non-responsive.

2. Scope of work:

2.1 The scope of this tender includes the complete supply, dismantling of the existing fire suppression system, installation, programming, testing, commissioning, maintenance, support, warranty, and final handover of a fully integrated Clean Agent Fire Suppression and alarm System utilizing HFC-227ea (FM-200) to protect the Data Center Room and UPS Room located on Basement Floor (B1) including all protected hazard areas within each room, namely the room area, the under raised floor area, and the above suspended ceiling area.

The Contractor shall provide all labor, materials, equipment, accessories, software, tools, and ancillary works necessary to deliver a complete and operational system.

2.2 The successful bidder shall complete all supply, dismantling, installation, testing, commissioning, training, documentation, and final handover activities within a period of eight (8) weeks from the date of the commencement date, after signing the Purchase Order (Contract).

Execution and delivery location:

Ministry of Digital Economy and Entrepreneurship (MODEE) – Main Building – Basement B1.

3.3 Integration with Systems Requirement

The Contractor shall ensure full compatibility and seamless integration of the proposed system with the Ministry's existing infrastructure, including but not limited to the Main Fire Alarm System Panel installed at the Ministry premises.

The scope of integration shall include, but not be limited to, the following:

- Provision of all necessary interfaces, gateways, controllers, and hardware/software components required to achieve full system integration.
- Ensuring complete compatibility with the existing fire alarm system protocols and communication standards.
- Execution of all required programming, configuration, and signal mapping between the new system and the existing central fire alarm system.
- Coordination with the current system supplier/maintenance contractor to ensure proper integration and uninterrupted operation of existing systems.
- Ensuring that the integration process does not cause any disruption or downtime to the existing fire alarm system or related critical services.
- **Acceptance Requirement:** The system shall not be considered complete or accepted until successful integration testing is conducted and formally approved by the Employer/Engineer.
- **Cost Inclusion:** All costs associated with integration shall be deemed included in the Contractor's offer and shall not be subject to any additional claims or variation orders.

3. Technical Specifications and Details:

Failure to comply with the following minimum technical specifications shall render the proposal technically non-responsive.

3.1 General Technical Specifications

- The system shall be a Clean Agent Fire Suppression System utilizing HFC-227ea (FM-200), designed specifically for the protection of server rooms, electronic equipment, and Uninterruptible Power Supply (UPS) rooms. The system shall not cause damage to protected equipment and shall leave no residue after discharge.

Ministry of Digital Economy and Entrepreneurship

RFP Form	

B. The system shall comply with:

- NFPA 2001 – Standard on Clean Agent Fire Extinguishing Systems.
- NFPA 72 – National Fire Alarm and Signaling Code.
- NFPA 70 – National Electrical Code.
- Applicable local Civil Defense regulations and requirements.

C. The minimum scope of supply and installation shall include:

- Brand new FM-200 cylinders complete with mounting brackets.
- Actuators, discharge valves, and associated accessories.
- Electric / Solenoid Release Devices.
- Piping network and discharge nozzles.
- Dedicated Fire Suppression Control and Release Panel.
- Smoke detectors.
- Manual release stations.
- Discharge Abort Switches.
- Pre-discharge audio-visual alarms (horns and strobes).
- Time delay release sequence.
- Pressure switches and signaling devices.
- All required cabling, conduits, accessories, and containment systems.
- Integration with the existing building Fire Alarm System.
- Warning labels and operational signage.

D. Provide full protection measures for active servers, IT equipment, and UPS systems during execution.

E. Seal all penetrations, cable entries, pipe openings, wall and ceiling interfaces using certified Fire Stopping materials to maintain room integrity and reduce gas leakage.

3.2 Testing, Commissioning, and Final Handover

The Contractor shall perform and submit documented results for:

- Electrical continuity testing.
- Insulation testing.
- Operational testing of the Fire Suppression Panel.
- Detector testing.
- Manual release and abort switch testing.
- Complete Cause & Effect testing.
- Verification of HVAC shutdown sequence.

Ministry of Digital Economy and Entrepreneurship	
Template	
RFP Form	

- Simulation and dry-run discharge sequence without actual gas discharge.
- Verification that all wall, floor, ceiling, cable, and pipe penetrations have been properly sealed using approved Fire Stopping materials, and confirmation that the protected rooms are ready for effective clean agent retention.
- .
- Trial commissioning and functional testing in the presence of the Technical Committee.
- Submission of approved testing checklists.
- Submission of Cause & Effect Matrix.
- Submission of all testing reports.

3.3 Required Handover Documentation

The Contractor shall submit:

- As-Built Drawings for fire suppression and fire alarm (front, top, isometric and riser diagram)
- Consolidated report for gas calculations for each zone
- Operation and Maintenance Manuals.
- Certificates of Origin.
- Manufacturer Compliance Certificates.
- Inspection Certificates.
- Calibration and Settings Certificates.
- Preventive Maintenance Schedule.
- Training documentation and operational manuals.

Comprehensive training shall be provided to Ministry technical personnel

4. General Terms and Conditions:

This RFP is subject to the Government Procurement Regulation no. (8) For the year 2022, and the instructions issued pursuant to it and their amendments.

4.1 "No Exception" Clause

- **A.** This contract is awarded on a **Fixed Lump-Sum basis**.
- **B.** Any bidder who explicitly excludes minor civil works, access hatches, fire stopping, 220V power cabling (if required), or basic testing and commissioning

from their financial/technical offer will be considered **NON-RESPONSIVE** and **automatically disqualified**.

5. Special Terms and Conditions:

5.1: Guarantees:

- **Bid Security (Tender Bond):** The Bidder shall submit a (Tender Bond) proposal security on a form similar to the attached format in Jordanian Dinars for a flat sum of (**300J.D**) (in a separate sealed envelope)). The bond will be in the form of certified cheque or bank guarantee from a licensed bank, located in Jordan, selected by the bidder. The bidder shall ensure that the (tender bond) proposal security shall remain valid for a period of 30 days after the bid closing date or 30 days beyond any extension subsequently requested by the Purchase committee, and agreed to by the bidder.
- **Performance Bond:** The winning bidder is required to submit a performance bond of (10%) of the total value of the supplies amount awarded to him within the duration mentioned in the award notification letter and before signing the Purchase Order (Contract) on a form similar to the attached format to guarantee that the winning bidder shall perform all works required in accordance with the Purchase Order's (contract's) technical specifications and requirements – **Annex\4 (the duration of this guarantee must fit with the implementation of the purchase order (contract))** . This guarantee shall be released after Initial hand over and official acceptance of MODEE of all works done by the winning bidder and submission of the maintenance and support and warranty guarantees.
- **Maintenance and Support Bond:** The winning bidder is required to submit a maintenance and support bank guarantee to guarantee that the bidder shall perform all maintenance and support works needed. This guarantee shall be (5%) of the total value of supplies provided by him on a form similar to the attached format and for duration of (2) two years as of the date of final handing over and official acceptance by MODEE – **Annex\5**. This guarantee shall be released after its expiry and after the winning bidder provided all required support and maintenance and acceptance of MODEE.
- **Defects of Liability Warranty :** The winning bidder should provide a manufacturing defects liability warranty on a form similar to the attached format duly endorsed and signed by a notary public for a duration of (2) years as of the date of final hand over- **Annex\6**. The manufacturing defects liability warranty

Ministry of Digital Economy and Entrepreneurship	
Template	
RFP Form	

shall be released after its expiry and after the winning bidder provided all required warranty works if required and acceptance of MODEE.

- **Advance Payment Guarantee:** NOT Applicable
- The Bidder guarantees that all provided supplies are 100% brand new free of any manufacturing defects or in material and of a modern style and its production did not stop and that the year of manufacture should be the same as the year of proposal submittal.

5.2: Financial Terms:

Bidders should take into consideration the following general financial terms when submitting their proposals

- All prices should be quoted in Jordanian Dinars including all costs, expenses, profits, governmental fees and taxes, in addition to sales tax for the bidders registered in the general sales tax, and others. Prices should be specified for each item.
- The type of contract will be a fixed lump sum price contract including all costs, professional fees, over heads, profits, and expensesetc.
- The bidder shall bear all costs associated with the preparation and submission of its proposal and MODEE will in no case be responsible or liable for these costs, regardless of the conduct or outcome of the proposal process.
- The bidders shall furnish detailed information listing all commissions and gratuities, if any, paid or to be paid to agents relating to this proposal and to contract execution if the bidder is awarded the contract. The information to be provided shall list the name and address of any agents, the amount and currency paid and the purpose of the commission or gratuity. Any proposal not accompanied by an acceptable proposal security (tender bond) shall be rejected by the tendering committee as being non-responsive pursuant to RFP.

Ministry of Digital Economy and Entrepreneurship	
Template	
RFP Form	

- The proposal security of the successful bidder will be returned after signing the Purchase Order (Contract) and furnishing the required performance security.
- The proposal security may, in the sole discretion of the tendering committee, be forfeited:
 - If the bidder withdraws its proposal during the period of proposal validity as set out in the RFP; or
 - In the case of successful bidder, if the bidder fails within the specified time limit to sign the Purchase Order (contract); or furnish the required performance security as set out above.
- The performance guarantee shall be released after final hand over and official acceptance of MODEE of all works done by the winning bidder and submission of the maintenance and support and warranty guarantees.
- The maintenance and support guarantee shall be released after its expiry and after the winning bidder provided all required support and maintenance and acceptance of MODEE.
- **The manufacturing defects liability warranty** shall be released after its expiry and after the winning bidder provided all required warranty works and acceptance of MODEE.
- The MODEE is not bound to accept the lowest bid and will reserve the right to reject any bids without the obligation to give any explanation.
- Bidders must take into consideration that payments will be as specified in the tender documents under annex (1) and shall be paid after the successful fulfillment and acceptance of the scope of work defined for the services by MODEE.
- The MODEE takes no responsibility for the costs of preparing any bids and will not reimburse any Bidder for the cost of preparing its bid whether successful or otherwise.
- General Sales Tax must be specified in the offer for the bidders registered in the general sales tax or it will be assumed as part of the total value of the bid submitted by the bidder.

5.3: Legal Terms:

Bidders should take into consideration the following general legal terms when preparing their proposals:

Ministry of Digital Economy and Entrepreneurship	
Template	
RFP Form	

- The bidders shall not submit alternative proposal. Alternative proposals will be returned unopened or unread.
- The proposal shall be signed by the bidder or a person or persons duly authorized to bind the bidder to the contract. The latter authorization shall be indicated by duly-legalized power of attorney and a certified copy of this authorization is to be attached to technical proposal. All of the pages of the proposal, except un-amended printed literature, shall be initialed by the person or persons signing the proposal.
- The Ministry requires that all parties to the contracting process observe the highest standard of ethics during the procurement and execution process. Ministry will reject a proposal for award if it determines that the Bidder has engaged in corrupt or fraudulent practices in competing for the contract in question.

Corrupt Practice Means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in procurement process or in contract execution.

Fraudulent Practice Means a misrepresentation of facts in order to influence procurement process or the execution of a contract to detriment of government of Jordan, and includes collusion practice among Bidders (prior to or after proposal submission) designed to establish proposal prices at artificial non-competitive levels and to deprive government of Jordan of the benefits of free and open competition.

- Bidder shall not contact MODEE, or its employees, members of the tendering or the technical committees on any matter relating to its proposal to the time the contract is awarded. Any effort by a bidder to influence MODEE, its employees, members of the tendering or the technical committees or the tendering committee in the tendering committee's proposal evaluation, proposal comparison, or contract award decision will result in rejection of the bidder's proposal and forfeiture of the proposal security.
- A business registration certificate should be provided with the proposal.

Ministry of Digital Economy and Entrepreneurship	
Template	
RFP Form	

- The laws and regulations of The Hashemite Kingdom of Jordan shall apply to awarded contracts.
- Proposals shall remain valid for period of (90) days from the closing date for the receipt of proposals as established by the Tendering Committee.
- The Tendering Committee may solicit the bidders' consent to an extension of the proposal validity period. The request and responses thereto shall be made in writing or by fax. If a bidder agrees to prolong the period of validity, the proposal security shall also be suitably extended. A bidder may refuse the request without forfeiting its proposal security; however, in its discretion, the tendering committee may cease further review and consideration of such bidder's proposal. A bidder granting the request will not be required nor permitted to modify its proposal, except as provided in this RFP.
- MODEE reserves the right to accept, annul or cancel the bidding process and reject all proposals at any time without any liability to the bidders or any other party and/withdraw this tender without providing reasons for such action and with no legal or financial implications to the Government of Jordan.
- MODEE reserves the right to disregard any bid which is not submitted in writing by the closing date of the tender.
- MODEE reserves the right to enforce penalties on the winning bidder in case of any delay in delivery as defined in accordance with the terms set in the Government Procurement Regulation no. (8) For the year 2022, and the instructions issued pursuant to it and their amendments.
- All prices should be listed in **the Bidder's financial proposal**.
- Bidders must fill out, stamp and duly sign form of bid attached to this RFP under (Annex 2) and enclose it in their proposals. Proposals that do not include this signed format are subject to rejection as being none responsive.
- The winning bidder will be expected to provide a single point of contact to which all issues can be escalated. MODEE will provide a similar point of contact.
- No proposal may be withdrawn in the interval between the proposal submission deadline and the expiration of the proposal validity period. Withdrawal of a proposal during this interval will result in forfeiture of the bidder's proposal security.

5.4: Support and Maintenance, Warranty and Performance:

• Support and Maintenance:

All devices, hardware, software and any other components installed by the bidder must be supported and maintained including inspection, testing, adjustment, and emergency support during warranty period for a duration of (2) two years starting from the date of final handing over and acceptance.

• Bidders Should provide in their proposals the following:

A. Bidders shall furnish with their proposals a separate list of the needed spare parts which the manufacturing company recommends to use under normal conditions for a duration of (10) years. The list should show the part number as issued by the manufacturing company, the quantity, the unit price and the total price; these prices shall be binding to the bidder for the duration mentioned above. The first party has the full right to request these spare parts within this duration for the prices mentioned in the aforementioned list and the spare parts must be 100% new and original (brand new).

B. Bidders must provide maintenance workshops and the needed spare parts for the supplies for a duration of at least 8 years or for the acknowledged working lifetime unless a different provision is included in the tender invitation. Bidders should provide with their proposals conditions of spare parts prices adjustment (Escalation Clause) as is in the country of origin, after expiry of the duration mentioned under item (A) of this clause.

• Warranty:

All devices, hardware, software and any other components installed by the bidder must be warranted for a duration of (2) two years starting from the date of final handing over and acceptance.

5.5: Bidders qualifications (Determined Upon Request):

Bidders shall meet the following minimum requirements:

- Valid company registration in Jordan.
- Successful completion of at least two (2) projects involving Clean Agent Fire Suppression Systems during the last five (5) years from the tender closing date.
- Partnership Certificate / Authorization letter from manufacturer or authorized distributor.
- Availability of qualified engineering and technical staff throughout project execution.
