

Veeam License Renewal and support Q&A's		
#	Question	Answer
1	<p>•In order to renew Veeam licenses, you are asking to renew Veeam Backup licenses by providing the number of cores. Can you please provide us the number of VMs/servers you are protecting using Veeam Backup in addition to the next year growth?</p> <p>This is to provide you with the best prices approach.</p>	<p>MoDEE plans to renew and maintain its current Veeam licenses without any expansion, as the existing capacity is sufficient for our current needs.</p>
